Judith Virag Bio

Judith Virag, founder of Clean Club Calgary and Certified House Cleaning Technician, is committed to building trust and improving the quality of life for her clients. Born in Hungary, Judith, alongside her parents, immigrated to Canada at the age of 18. With entrepreneurship in her blood – both her parents and grandparents were entrepreneurs – Judith knew the traditional career route wasn't for her. After 15 years as an Executive Assistant for corporations such as Citibank, PricewaterhouseCoopers, and the Calgary Flames, she took her love of accountability and combined it with her love of physical work to begin her first cleaning business. Gathering experience, learning from challenges, and obtaining (and continually maintaining) her *IICRC House Cleaning Technician* certification, Judith ensures clients feel their quality of life is Clean Club's priority. Since starting her cleaning career nearly a decade ago, she has grown (and kept) her three initial clients into a full-scale residential and commercial cleaning business that's changing how Calgarians invest in cleaning.

Fun, hardworking, trustworthy, loyal, and dedicated to honest conversations, Judith leads the rest of the Clean Club team in providing service that's beyond expectations. In November 2020, Judith won the Universal Women's Network "Women of Inspiration" award for *Customer Experience*.

About Clean Club Calgary

In operation since 2019, Clean Club Calgary offers both residential and commercial cleaning services. The Clean Club team offers an experience in quality cleaning that goes far beyond dusting, mopping, and scrubbing. Clean Club's certifications set them apart from other companies. They are committed to earning your trust in their abilities thus giving you peace of mind that you've hired the *best-of-the-best*.
